

## Statute of Student Representative

### **Yves Janssen Verlaak** (2365698)

is engaged during the 2025-2026 academic year as Faculty Coordinator for the Faculty of Sciences and EMT-student for the bachelor programme in Physics.

Members of the Student Council, the FORUMs, the EMTs, and the core students of the evaluation meetings are recognized by Hasselt University as students in special circumstances. They obtain the status of student representative and, in accordance with Article 4.1 of the [Participation Regulations](#) for Student Representatives at Hasselt University and the transnational University Limburg – Hasselt University campus, are entitled to the following educational and examination facilities:

1. Attending educational activities or contact sessions in a teaching group of their choice if necessary, due to fulfilling their mandate as student representative, and after consultation with the lecturer concerned. Student representatives must contact the academic advisor of their programme and provide a certificate proving their status as student representative.
2. Absence from contact sessions due to attending meetings of university bodies or external boards as part of their mandate as student representative. When student representatives cannot be present at a contact session with mandatory attendance, they must submit a certificate proving their status as student representative. Where possible, suitable solutions will be sought in consultation with the lecturer.
